† Rental Reimbursement Rates are based on average rates and include an estimated assumption of 10% taxes, fees and surcharges. As a result, certain car classes may fall within a higher rate category than listed above in certain geographic areas. All listed cars classes are not available in every market and car classes are subject to change. Car Class Guide is to be used for illustrative purposes only and may not be reproduced. Guide is not to be used for the advertising of vehicle rentals. Car classes listed in rate categories subject to change based on changes in taxes, surcharges and fees. Optional products and services are not included in Rental Reimbursement Rates.
